

# Inspector Continuing Education (ICE) Credit Request for a Course Taken to Maintain a Related Occupational License

**Submit this form and proof of course completion by email to [education@trec.texas.gov](mailto:education@trec.texas.gov)**

To receive credit, you must hold an active, related occupational license issued by a Texas government agency. The course must be approved for CE credit for the other agency at the time it was completed. Examples of related occupational licenses include plumber, electrician, HVAC technician, structural pest control technician, architect, and engineer.

**File a separate form for each course for which you are requesting ICE credit.**
